

Expression of Interest (EOI) – Container Refund Point Southern Moreton Bay Islands

Container Exchange (COEX) are seeking Expressions of Interest from parties wishing to operate a Container Refund Point (CRP) on the Southern Moreton Bay Islands in South East Queensland.

COEX is responsible for managing Queensland's Container Refund Scheme – Containers for Change which aims to reduce litter and increase recycling by providing a 10-cent refund for each eligible beverage container returned to a CRP.

The successful CRP will service:

- Karragarra Island
- Macleay Island
- Lamb Island
- Russell Island.

The four (4) islands have a combined population of more than 6000 residents and include accommodation, recreation, dining and sporting venues, which provide an opportunity for further container redemption.

If you're interested in making a difference by facilitating recycling and fundraising opportunities in the local community, please submit an EOI which includes:

- preferred CRP location
- CRP mode option (e.g. bag drop, depot, mobile)
- proposed logistics
- anticipated costs.

Please submit your completed EOI to tenders@containerexchange.com.au by

3 pm, Monday 23 September 2019.
