All times in this promotion are based on Queensland local time.

## HOW TO ENTER

11. To enter this promotion and participate in the major prize draw, the entrant must make or receive a deposit (or deposits) totalling at least 50 eligible containers during the Promotional Period, which is processed at a *Containers for Change* container refund point and recorded against the entrant's Qld Scheme ID. To participate in a weekly prize draw, the entrant must receive or make a deposit (or deposits) totalling at least 50 eligible containers during the relevant week for the prize draw, which is processed at a *Containers for Change* container refund point and recorded against the entrant's Qld Scheme ID. The entrant will receive one entry for every 50 eligible containers processed during that relevant week. The Promoter is not liable for any loss or damage arising from any containers being processed by a third party outside of the Promotional Period (or any delays in processing within that period), or errors in any reporting by the third party.
15. Where an entrant or other depositor attempts to return and deposit containers which are not eligible under the *Containers for Change* scheme, the containers will be refused and those containers will not count towards any entry in this promotion.
16. The Promoter reserves the right, at any time, to verify and require the entrant to verify the entrant's details (including an entrant's identity, age and place of residence or in the case of a Minor, the legal guardian or parent's identity, age and place of residence). The Promoter reserves the right, in its sole discretion, to disqualify any entrant who the Promoter believes, for any reason, has breached any of these Terms and Conditions (including the Consumer Portal Terms and Conditions), tampered with the entry process or engaged in any unlawful or other improper misconduct calculated to jeopardise the fair and proper conduct of the promotion. Errors and omissions may be accepted at the Promoter's discretion. Failure by the Promoter to enforce any of its rights at any stage does not constitute a waiver of those rights. The Promoter's legal rights to recover damages or other compensation from such an offender are reserved.
17. If there is a dispute as to the identity of an entrant, validity of an entry or the entrant's eligibility to participate in this promotion, the Promoter has sole discretion to determine the identity of the entrant, the validity of the entry and the eligibility of the entrant.
