

# August: Scheme collection volumes showing continued strong growth, with a 10% increase in total collections over the past 12 months

## Container volumes

The *Containers for Change* scheme receives containers collected through the Container Refund Point (CRP) network and from those containers returned through council kerbside recycling which end up at Material Recovery Facilities (MRFs). Both avenues make up the overall scheme collection volumes and rate.

\*Scheme collection volumes impacted by COVID-19 pandemic from March 2020.

To note: July to August 2021 MRF volumes are forecast volumes, as MRF audits are quarterly in arrears.
