

March: Scheme collection volume growth of 4.3% over the past 12 months, with 5.7b containers collected since Scheme commencement

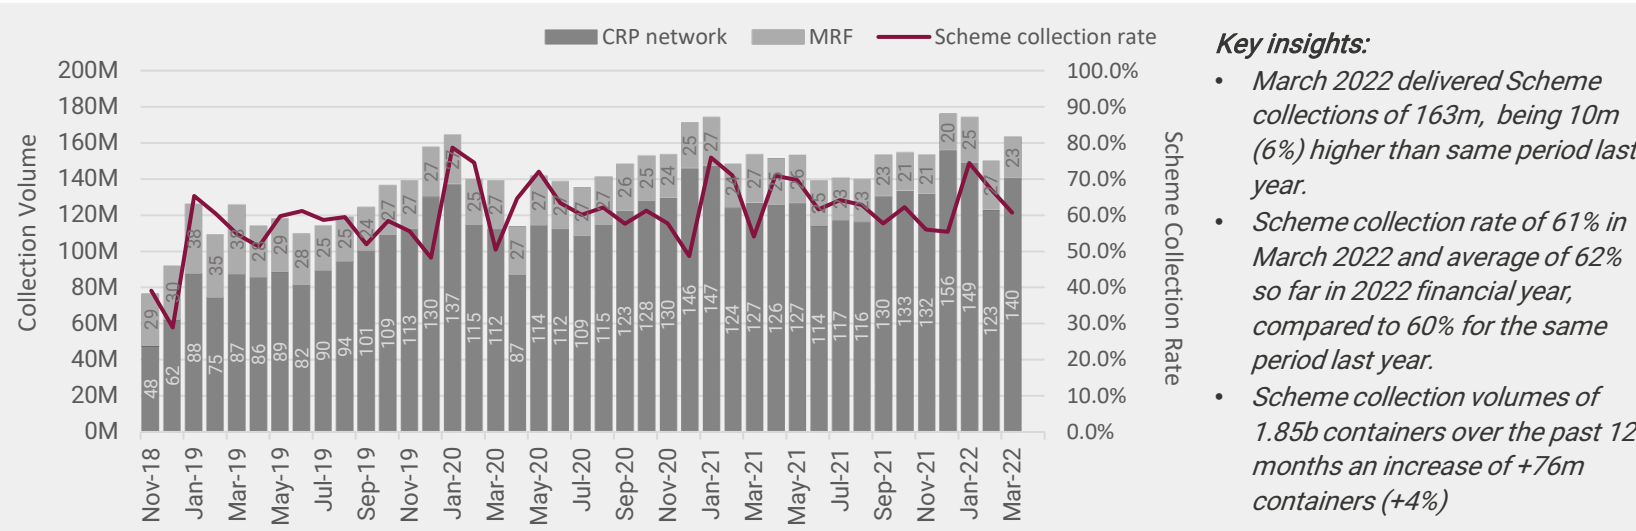

Container volumes

The *Containers for Change* scheme receives containers collected through the Container Refund Point (CRP) network and from those containers returned through council kerbside recycling which end up at Material Recovery Facilities (MRFs). Both avenues make up the overall scheme collection volumes and rate.

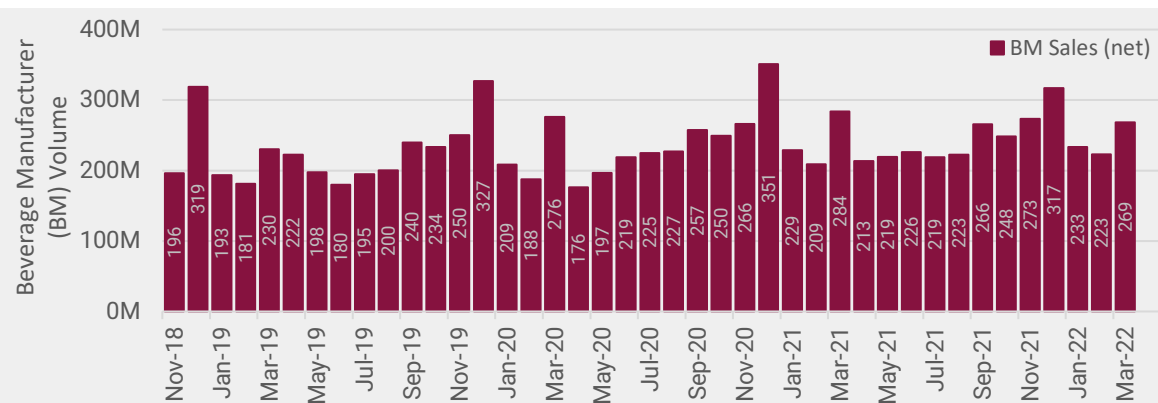

**Scheme collection volumes impacted by COVID-19 pandemic from March 2020.*

To note: March 2022 MRF volumes are estimated volumes, as MRF audits are completed in arrears
