

Expression of Interest (EOI) – Central Queensland

Container Exchange (QLD) Ltd (COEX) is seeking parties wishing to operate Containers for Change container refund points (CRP) in the Central Queensland region. This will be servicing Yeppen, Yeppoon, Emu Park and surrounding communities.

Background

Containers for Change QLD is Queensland's container refund scheme established by COEX on 1 November 2018 to give people an incentive to collect and return eligible drink containers for a 10-cent refund. In November 2023 the eligible containers were expanded to include glass wine and spirit bottles.

The aim is to reduce the amount of drink containers that are littered and increase Queensland's recycling rate by influencing and enabling all people to participate in the circular economy. COEX works with local stakeholders to provide container recycling solutions that supports the community. We believe there is a better way to recycle that positively impacts individuals, communities, and the environment. Driving enablement and participation in the Queensland Containers for Change scheme.
