# Self-Service Solutions

To onboard small businesses, this Starter Pack has been developed to encourage self-starters to begin collecting and recycling containers.

Small businesses who register a new Scheme ID on the Containers for Change QLD website will receive this pack to start collections!

\*All items in the compostable mailer are made from recyclable paper where possible.

## What's in the Pack?

#### 2 x Tabletop Stands

Those yo	as Shartler Picsk to for choosing to participate in Containers for Changel Tagether, we can make a since for the antiformant by soducing littler and negoting our containers.
