

WHSE Notice

Dear operator,

Please click on the button below to read the alert from WorkSafe Queensland, in response to a recent incident where a worker suffered serious injuries after being struck by a forklift.

Our recent COEX FY24 WHSE safety results indicate that traffic is the leading cause of risk in our network (24%), so this alert serves as a reminder of the importance of operating vehicles such as forklifts safely on site.

Thank you for your attention.

Kind regards,

Phil Gordon
